Network for Good has sent an email receipt to all listed donors, but we strongly encourage you to acknowledge donors who have elected to share their contact information.

If you'd like to learn more details about your donations, please [start here](#).

For context regarding anonymous donations, see our [knowledge base article](#).

Network for Good disburses all donations on the 15th of each month (or nearest business day). Each disbursement includes payment for donations processed by NFG to your organization in the previous calendar month. For example, a January 15th payment includes all donations processed in December. In certain cases, donations may have been made to your organization on a partner platform like Facebook before it is sent to NFG to be processed. In these cases, the donation will be disbursed the month after it has been processed by NFG, not a month after the original donation was made.

Your organization has registered for direct deposit, but your registration is awaiting review and/or paperwork. Please allow 4 to 6 weeks for us to receive your paperwork, review, and approve your registration. If you have questions about the status of your EFT application, please contact us at www.networkforgood.com/support/nonprofit

In the meantime, donation payments will be issued via check and mailed to the address below. Please allow two weeks for postal service delays prior to requesting check reissues.

Network for Good's database is powered by GuideStar, which means we send disbursement checks to your organization's address as listed on GuideStar at the time of disbursement. **If your [GuideStar profile](#) is out of date, please update it at your earliest convenience to ensure that all future checks will be delivered to the correct address.** To make updates to your GuideStar profile, please send an e-mail request to NPOservices@guidestar.org. **You must also notify Network for Good of your address change so we can add a temporary address override in our internal database to ensure that your organization will receive grant checks in a timely fashion.**
